AGE OF TERMINATION\*\*<sup>2</sup>

"Minor" means an UTMA account owner (customer) who has not reached the age of termination (age the custodianship terminates, which is designated at the time of transfer and governed by state law). This means that depending on the applicable state, a minor could be older than 18 or 21.

Upon reaching the age of termination, the custodian must remove themselves as custodian (and their authority over the account) so that the UTMA account owner can complete a new application solely in their name and under their control. The custodian will no longer be able to act on the account after the minor reaches the age of termination. Please note, transfers to a minor are irrevocable. Additionally, at the age of termination, U.S. Bank Global Fund Services as transfer agent for the Monetta Funds reserves the right to restrict purchases and redemptions and reinvest any dividends and/or capital gains set to pay out in cash until the former minor completes a New Account Application.

\* List state's law that governed the initial transfer. In the event that the custodian does not complete the "UTMA State" field above, the custodian hereby directs U.S. Bank to establish the UTMA state using the state from the Permanent Street Address provided in the Address section as the UTMA state. This designation shall permanently remain as the designated state for this account.

\*\* In the event that the custodian does not complete the "Age of Termination" field above, the custodian hereby directs U.S. Bank to establish the account using the default age of termination for custodial property transferred by gift under the "UTMA State's" law.

<sup>1</sup> If a full legal first name is not provided, a copy of a government issued document is required to accompany this application.

<sup>2</sup> Note that electing an age of termination beyond the default age, such as 25 if permissible for a particular state, may result in the loss of any annual exclusion for federal gift tax purposes. By entering an age of termination that is different than the state laws governing the gift or transfer, you represent and warrant that you have consulted with your tax and legal advisors on (i) the permissibility of the age selected under the governing state's law, and (ii) the state and federal tax consequences of the designated age of termination.
